## Parent Association Newsletter

### Did you know?

Did you know, all TBS parents are a part of the Parents' Association (PA)?

The purpose of the PA is to engage, encourage, and enrich the parents of The Burlington School (TBS) students in supporting the mission of the school by:

- Creating effective and relevant opportunities for service to the school;
- Supporting the faculty, staff and parents as we work to cultivate the TBS culture, vision and guiding principles;
- Encouraging and promoting volunteerism within and beyond the school community;
- Establishing a forum for voicing concerns, interests, needs and ideas;
- Promoting an environment for meaningful opportunities for all families to feel connected and included;
- Strengthening communication via our calendar, coordinators, publications and committees; and
- Investing in an education conduit between parents and school.
